Real Estate Private Equity Summit Overview

iGlobal Forum

Welcome

Since 2008, iGlobal Forum's **Real Estate Private Equity Summit** has been the go-to destination for CRE professionals looking to learn from and network with senior peers in their industry. LPs, GPs, developers and lenders all connect at the event to build new partnerships, drive returns and find the top investment opportunities in a shifting space.

The program dives deep into the cutting-edge trends, changing capital sources, best deal-sourcing opportunities, and leading investment strategies impacting real estate and private equity investors.

The event is a key platform for private equity firms, LPs, real estate owners, operators, developers, and institutional investors to come together and drive returns across the sector.

We look forward to meeting you there.
